New Books continued from front page

- **Pine Mountain** has launched new pillow(s) series for 2012 — a 9 x 9" premade flanged pillow and a medium pillow insert. January's a Snowman and February's Love. Check out these super quick projects.
- Diane from **Little House Needleworks** has adapted another antique sampler — Elizabeth Hancock 1831. Stitched in Belle Soie silks and dyed fabric from **WDWorks** — your count/size is up to you!
- The newest 2 designs from **Just Nan** are Snowball Day and Snowflowers — which is down in sparkling beads and specialty stitches.
- The 3rd part to **Bent Creek's** Snow Globe Mantle is due to arrive any day — it's really cute and a nice "easy to stitch" anywhere project! Each part is kitted for you — done on 18ct linen over 2 with #5 perle cotton.
